## NEA Fund for Children and Public Education Authorization for Payroll Deduction

The National Education Association Fund for Children and Public Education collects voluntary contributions from Association members and uses these contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Contributions to The NEA Fund for Children and Public Education are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although The NEA Fund for Children and Public Education requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. Contributions or gifts to The NEA Fund for Children and Public Education are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits The NEA Fund for Children and Public Education from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.

**Yes, I want to make an important investment in our future by contributing to the NEA Fund.  
 I will contribute \$\_\_\_\_\_ per pay check as a payroll deduction for this purpose.**

**TO PARTICIPATE IN THE EARLY ENROLLMENT PLAN, PLEASE COMPLETE THE EARLY ENROLLMENT MEMBERSHIP FORM.**

My signature authorizes ESEA to negotiate for me before the school district, as provided in Nevada Statutes, those items affecting my salary, hours and conditions of employment and to represent me in other matters affecting the professional services of educators and the quality of education.

**Payroll Deduction Authorization.** With full knowledge of the above, I hereby authorize my employer to deduct from my salary, and pay ESEA, in accordance with the agreed-upon payroll deduction procedure, the professional dues as established annually and the political action contributions in the amount indicated above for this membership year and each year thereafter, provided that I may revoke this authorization by giving written notice to that effect to ESEA between July 1 and July 15 of any calendar year, pursuant to Article III Section 3 of the ESEA Bylaws. Dues are paid on an annual basis and although dues may be deducted from my payroll check(s) in order to provide an easier method of payment, a member is obligated to pay the entire amount of dues for a membership year. I understand that if I resign my membership in ESEA, or in the event of termination, resignation or retirement from employment, I am still obligated to pay the balance of my annual dues and political or positive image contributions for that membership year and such payments will continue to be deducted from my payroll check(s).

Dues and political contributions are not deductible as charitable contributions for federal income tax purposes. Dues may be deductible as a miscellaneous itemized deduction.
