

I'm Jan Giles, running for re-election of NSEA State Board Seat 3. I've been employed with CCSD for 25 years. I'm the PEF Accounting Office Manager and the ESEA Vice President. I currently serve on the Budget, Policy and also the NEA Resolutions.

I look forward to using my years of experience as an Education Support Professional to ensure ESP's have a voice at the state level. I promise to make decisions that will benefit the many not the few.
