

Greetings Fellow ESEA Members..... Hello, I'm JANIE JETT and I'm running for ESEA President. If you feel now is the time for change in leadership, cast your vote for me. With a new Governor in office, I foresee money opening up for education. Support staff needs to be the first, not the last, to receive our fair share of the revenue. Now is the time for our STEPS being restored, pay raises and better insurance with lower premiums.

If you are like me and want recognition and change, VOTE JANIE JETT for your next ESEA President.
