

Hello, My Name is Monique Newkirk, I am seeking your vote for President of ESEA. I have been an active member for 10 years serving on the Committee to retain our members and Election Committee as Chairperson. I lobbied in Carson City for education and better school funding this past legislative session. My goals are the same now as they were when my children were growing up to help build an education system where our community thrives. Let's build a strong union together that our members can be proud of. Help me achieve this goal be Unique Vote for Monique!
