

**Nevada State Education Association Conference Request for Proposal  
July 19-21, 2021 - NSEA Virtual Summer Leadership Conference  
Caring for Yourself and Your Association During Challenging Times**

All proposals must be received by EOB on February 26, 2021.

The Nevada State Education Association invites members, staff, and community partners to participate in making the summer leadership conference a strong and meaningful event for our member educators. There will be three tracks for members to choose to follow within the conference: Education Support Professional, National Board Certification/Professional Development, and Leadership. We are collecting proposals for workshops related to our theme of “Caring for Yourself and Your Association During Challenging Times”.

We invite proposals from all disciplines including advocacy, professional development, NBCT, union activism, association leadership, educator leadership, self-care, racial and social justice.

Workshops will be approximately 90 minutes.

Please complete the following form if you are interested in presenting.

I am a:            member            staff            community partner
