

I am Autumn Tampa,  
an ESEA Member since 2006.

Thank-you to president Jan Giles  
for all her hard work.

I have been an Association Rep, Steward, and the ESEA  
Paraprofessional Director, on the NSEA Board, and an  
NEA delegate; tried to help as many members as I can.

I have been an active Organizer, Employee Rights and  
Political Education Activist; speaking at School Board  
meetings and to news stations for ESPs and our children.

I want to activate ALL ESEA committees, and involve the  
membership in ALL decisions, while fighting to protect  
our Employee and Contract Rights!!

Please vote for me, Autumn Tampa, for ESEA president!!  
Thank-you!!
